## CareChoice's Complaints Procedure

# Complaints

---

All CareChoice Homes welcome suggestions, complaints, concerns, observations and comments from Residents, Resident's relatives and visitors.

All comments or complaints shall be viewed as an opportunity to inform service provision and to continually improve the quality of care and service provided to our Residents.

Residents & their relatives / representatives should be confident that making a complaint will not affect the quality of care provided to the resident in any way.

CareChoice believes that it is through the dedication and commitment of our staff, that we provide you with the choices you need to ensure a good quality of life.

The purpose of this leaflet is to give you more detail about our Complaints Policy & Procedure.

## How to make a complaint

---

Any complaint / concern should be raised initially with the Nurse or CNM on the floor. The Nurse / CNM shall attempt to resolve your complaint immediately, this may require input from their Line Manager.

Should it not be addressed satisfactorily, please feel free to raise the matter with the Director of Nursing/Assistant Director of Nursing, who will undertake to investigate within an agreed timeframe. A letter of acknowledgement shall be sent within 5 days.

Our Aim is to resolve your complaint within 20 working days, if we are unable to do so, we will endeavour to update you every 20 days thereafter.

Note, all complaints are documented in a transparent manner on our EpicCare system, and are reviewed as part of our Clinical Governance framework.
